Title: ADAPTOR DEVICE FOR DOMESTIC SHOOTING PRACTICE WITH
LARGE-CALIBRE HANDGUNS.

RESPONSE TO NOTICE OF ABANDONMENT

PETITION TO WITHDRAW ABANDONMENT

The Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Sir:

I have just received a letter with a notice of abandonment. Attached to the same letter are the instructions to access the patent status thru the Internet.

Trough the Internet, I found out that there was a letter that I never receive, asking for an additional 9.00 dollar fee. I've just spoke with Mr. Michael Carone who confirm me about the due balance and suggest me to petition for a withdraw of abandonment of the above-mentioned application and also to attach to this letter a nine dollar check.

Considering that I never receive the letter asking me for the nine dollar balance due, I'm attaching to this letter the requested amount in order to petition for the withdraw of the abandonment of my application.

Respectfully requested,
